

Project Type: Retail
LEED Rating System: New Construction
Certification Level: Certified

CVS at Wilde Lake is a pharmacy and retail convenience store located in Columbia, Maryland at the Wilde Lake Village Center. The Wilde Lake Village Center was approved as a LEED Master Site, allowing all other development on the site to more easily achieve LEED certification.

This LEED certification closely aligns with CVS Health's overall Corporate Social Responsibility platform, Prescription for a Better World, as the company is committed to reducing its impact on the environment.

Major Sustainability Highlights

-  30.4% Water reduction
-  24.75% energy savings
-  88% of construction waste was diverted

Additional Sustainable Highlights:

Public Education Program for store patrons
 Exemplary Performance in Certified Wood

Project Team:

Owner: CVS Caremark
 MEP: Norr
 Civil: Bohler Engineering
 Architect: Norr
 General Contractor: Speedwell Construction
 LEED Consultant: Lorax Partnerships, LLC
